REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

At Gray Court-Owings Middle School, we have been working diligently to prepare students for the 21st century. We want our students to be effective communicators, collaborators, critical thinkers, and creative individuals. Our focus for the school year has been on reading informational text. Some of the resources that we used to motivate student learning included Time for Kids, Reading for Real, and current event stories, such as KONY 2012 and Post-Traumatic Stress Disorder. We offered math and reading assistance to students struggling to meet grade level expectations. Algebra and Honors English classes were offered to eighth graders who excelled in mathematics and/or language arts. Our teachers set goals for increasing the number of students scoring Exemplary on the state assessment (PASS). They identified strategies that they would use to show improvement for each student. We incorporated technology into our lessons. Students participated in keyboarding classes and used Study Island and First in Math to reinforce their learning. Our business partner, Vulcan Materials, provided funding for student rewards. Also, our School Improvement Council (SIC) collected and donated incentives for students who showed improvement academically and for students who demonstrated good citizenship. Our school received the Palmetto Silver Award for outstanding student achievement and for closing the achievement gap. We recognize that it takes the entire community working together for our school to be successful! We will continue to utilize every resource available to help us provide equity and excellence in educational opportunities for each learner.
